It's time to bring back the true meaning of "The Brotherhood"

Director Blanchard explained that The POB is an independent non-profit Law Enforcement Organization to bring together the frontline law enforcement officer and the civilian community to form an alliance to help all officers, their families and the victims of crime. **The POB is governed by active and retired/former Law Enforcement Officers throughout the State.** The POB is not a labor union (Collective Bargaining Unit) or lobbying group and does not compete with the PBA, FOP or STFA. Our purpose is to unite law enforcement officers throughout the United State and give donations to all law enforcement officers regardless of their Union affiliation to bring back the true meaning of **“the brotherhood”**. The POB has helped donate thousands of dollars to law enforcement causes over the years. Based on the total funds of this event minus administrative cost, over **\$17,000** were given right back to law enforcement causes and officers in need.
